Fitter friendly

All our furniture is all pre-built factory assembled, saving you time during installation. We design our products with the fitter in mind and aim to be as easy and simple as possible.

Bespoke worktops

We have our own in-house bespoke worktop department, dedicated to creating the perfect bespoke worktop to match your exact needs, with an array of different material types and finishes to choose from.

Saving you time

In many cases, furniture may have factory pre-fitted handles or in some cases be pre-drilled for handles in readiness for ease of fitting of the handles, saving valuable installation time and reducing installation costs.

Always a quality feel

All units come as standard with soft close drawers or doors for a quality feel.

We take our environmental commitments seriously

We strive to engineer products with the longest possible lifespan. That's better for you and better for the environment.

Our cabinets don't travel across the planet to reach you, they are despatched direct from the point of manufacture in the heart of the Midlands, saving hundreds of tonnes of carbon every year.

From the raw materials we choose for our furniture down to the paper we use in our offices, every decision we make is led by our commitment to the environment.

- 100% of timber used in our furniture is FSC® certified
- All of our offcut and sawdust waste is used as fuel to heat our factory
- Our cardboard packaging is cut to exact size on-site to minimise waste
- Upgrading our own delivery fleet to cleaner and more efficient vehicles

Worktop Selection

To complement our elegant fitted furniture collections, we are delighted to present our range of beautiful worktops. The hand-picked finishes have been specially selected to complement or contrast perfectly with your choice of furniture and sanitaryware.

20mm Marble Effect Solid Surface worktops

Available in six finishes, with a choice of two edge profiles.

20mm Solid Surface is a synthetic material made from an acrylic polymer. It has a solid core and features realistic fixed and random veining to replicate marble and granite. In multiple widths and depths with cutbacks and curved contours, it is available with a choice of edge profile – chamfered or inverted chamfer.

22mm Solid Surface worktops

Available in eight finishes, with a chamfered edge profile.

22mm Solid Surface has a 3mm solid surface veneer laminated on to an 19mm solid MDF core and protective backing sheet. All worktops are hand edged and profiled to order, and are watertight. In multiple widths and depths with cutbacks and curved contours, it is available with a chamfered profile.

22mm Laminate worktops

Available in 19 finishes, with a bevelled edge profile.

22mm Laminate consists of a high pressure laminate sheet, postformed over a solid chipboard substrate. It has a radius profile along the front top and bottom edges and the short edge sides are square edged in matching material.

12mm Compact Laminate worktops

Available in eight finishes

12mm Compact Laminate is made from pressurised multiple layers of resin-impregnated craft papers with a decorative surface on both sides. The core 12mm thickness is a solid colour designed to complement the surface décor. The surfaces of White Slate and Graphite Slate are embossed with the stone effect pattern for an exceptionally realistic look.

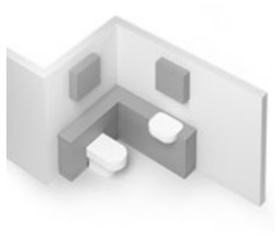
How To Order Original Fitted Furniture

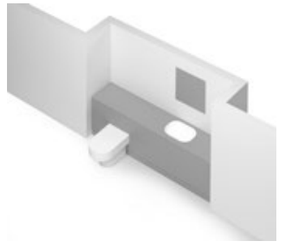
1

What configuration?

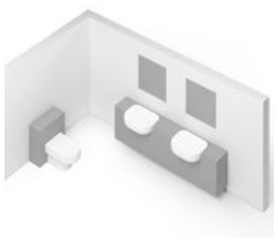
Original Fitted furniture is our most versatile range. It's designed to be used in many different configurations - meaning several styles of layout are possible using the same units. Whichever configuration you choose, Original Fitted furniture will give maximum storage.



Into a corner to make the most out of your space.



Flush into a recess, using filler panels to fit the width exactly.



Use freestanding cabinets with or without a plinth to give a modular look.

2

Choose your cabinet depth

Smaller spaces can benefit from our reduced depth cabinets, whereas larger bathrooms can utilise our extra deep units for maximum storage space. Original Fitted units are available as reduced depth (220mm), standard depth (340mm) or extra deep (535mm).

3

Choose your doorstyle

Now you've planned your layout, pick a doorstyle that best reflects the style you're trying to achieve.

4

Cladding panels

Create a subtle yet effective slimline framed look. Ideal where your carcass choice doesn't match your choice of door finish, but you'd like to create a co-ordinated look.

Page 40

5

Worktops

Choose either luxurious hand-crafted Solid Surface worktops, tailored in our UK manufacturing headquarters to your exact requirements; 22mm laminate worktops or a sleek 12mm compact laminate.

How To Order Solid Surface Worktops

This page will help you to order perfectly fitted Solid Surface worktops, these examples reflect the most common configurations.

20mm Marble Effect Solid Surface Worktop

22mm Solid Surface Worktop

1. Choose your desired worktop either **20mm** or **22mm**
2. Choose the worktop finish
3. Select the type of profile required from the options highlighted below.
   22mm available in Chamfered Profile and 20mm available in both Chamfered & Inverted.

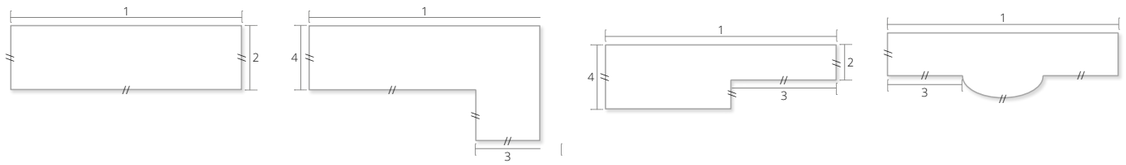
Chamfered Profile
A minimum 10mm overhang required on each open side

Inverted Chamfer Profile
A minimum 20mm overhang required on each open side

4. Please denote clearly the sides you require edging. Front edge always supplied as standard, the forward slashes show which edges are required to be profiled. Utopia recommend a minimum of 50mm extra when the worktop is being scribed to a wall.

Front only | All three edges | Left and front edge | Right and front edge

5. Please supply a dimensional drawing of the worktop required with the units clearly marked on so that we can check any discrepancies on your behalf. Please note the minimum overhang requirements denoted on step 3.
6. Please see the four most common worktop configurations below, showing the dimensions you need to supply when ordering your worktop.



7. Where a bow fronted worktop or fabricated bowl is required, please specify the centre from either end of the worktop. When ordering a bow fronted worktop or fabricated bowl, a 545mm deep worktop will be required as standard.

CONTEMPORARY

FITTED FURNITURE

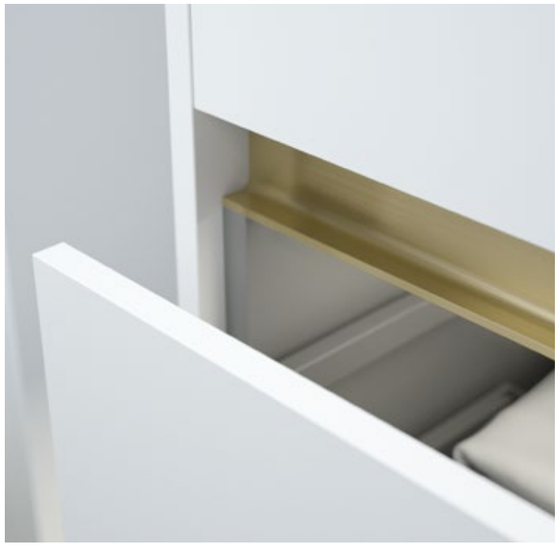
Introducing our exclusive Contemporary Fitted furniture range. Available in both fitted and wall mounted configurations, the emphasis is on tall mirrors, contemporary Scandi-inspired finishes and feature metallic accents.

Highlights

- Mix and match top and bottom fascias to create your own unique style. Wall units and cladding panels will always co-ordinate with your furnitures bottom fascia unless otherwise stated
- Soft close hinges and runners on all doors and drawers as standard
- Choose from a contemporary undermounted basin, semi-recessed or an all in one integrated Coralux washbasin work surface
- All internals are Powder Grey, use cladding panels to create a co-ordinated look
- Optional integrated LED lighting beneath all base units, and above and below mirror units
- Stunning extra height tall mirror cabinets and sit-on mirror units that will flood any room with light. Wall units are also available with co-ordinating door fronts to match your base units
- Available as an upgrade, the sensor flush provides a hygienic water saving dual flush when a hand is held or waved in front of the sensor
- Available in four stunning metallic finishes, the full-width handle trim will add a striking feature to your furniture run
- Designed and built in the UK by Utopia's team

Making Your Installation Easier

- Fully adjustable wall-hanging kit provided
- Units delivered fully factory assembled



How To Order Contemporary Fitted Furniture

Step 1. Metallic Handle Trim

Choose and remember to order your contrasting metallic handle trim in one of these stunning finishes and state length required, 1300mm or 2600mm.

Step 3: 12mm Compact Laminate Worktop Finishes

12mm Compact Laminate is made from pressurised multiple layers of resin impregnated craft papers with a decorative surface on both sides. The core 12mm thickness is a solid colour designed to complement the surface décor while the surface is embossed with the stone effect pattern for an exceptionally realistic look.

How To Order Solid Surface Worktops

This page will help you to order perfectly fitted Solid Surface worktops, these examples reflect the most common configurations.

20mm Marble Effect Solid Surface Worktop

22mm Solid Surface Worktop

1. Choose your desired worktop either **20mm** or **22mm**
2. Choose the worktop finish
3. Select the type of profile required from the options highlighted below.
   22mm available in Chamfered Profile and 20mm available in both Chamfered & Inverted.

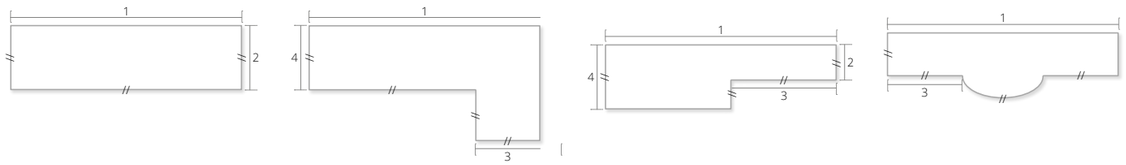
Chamfered Profile
A minimum 10mm overhang required on each open side

Inverted Chamfer Profile
A minimum 20mm overhang required on each open side

4. Please denote clearly the sides you require edging. Front edge always supplied as standard, the forward slashes show which edges are required to be profiled. Utopia recommend a minimum of 50mm extra when the worktop is being scribed to a wall.

Front only | All three edges | Left and front edge | Right and front edge

5. Please supply a dimensional drawing of the worktop required with the units clearly marked on so that we can check any discrepancies on your behalf. Please note the minimum overhang requirements denoted on step 3.
6. Please see the four most common worktop configurations below, showing the dimensions you need to supply when ordering your worktop.



7. Where a bow fronted worktop or fabricated bowl is required, please specify the centre from either end of the worktop. When ordering a bow fronted worktop or fabricated bowl, a 545mm deep worktop will be required as standard.

22mm Solid Surface Worktops

22mm Solid Surface in a range of finishes and depths. All prices include polished edges.

22mm Solid Surface has a 3mm solid surface veneer laminated on to an 19mm solid MDF core and protective backing sheet.

All worktops are hand edged and profiled to order, and are watertight. In multiple widths and depths with cutbacks and curved contours, it is available with a chamfered profile.

POA for Solid Surface required at a larger depth than 545mm.

Solid Surface worktops are designed to replicate natural surfaces and as a result may feature colour and tonal variations throughout. Marble effect Solid Surface worktop finishes do feature a pattern variation to mimic the pattern of natural stone and therefore will not be uniform in colour, tone or pattern.

Sandstorm

20mm Marble Effect Solid Surface Worktops

Please note marble effect Solid Surface materials have pattern variation to mimic the pattern of natural stone.

20mm Solid Surface is a synthetic material made from an acrylic polymer. It has a solid core and features realistic fixed and random veining to replicate marble and granite.

In multiple widths and depths with cutbacks and curved contours, it is available with a choice of edge profile – chamfered or inverted chamfer.

Solid Surface worktops are designed to replicate natural surfaces and as a result may feature colour, tonal and pattern variations throughout.

ROSEBERRY

In 2015 we set out to create the very pinnacle of British bathroom perfection.

Just over a year later, our flagship Roseberry painted timber range was launched. Since then, the Roseberry range has grown to include stunning new curved unit options, bold new paint finishes, sleek sanitaryware additions, stylish taps and hand-picked handles.

If you're looking for authentic period detail, a wide range of options to give you the freedom to tailor your new bathroom to absolute perfection, and furniture that exudes hand-built quality, look no further than the Roseberry furniture collection, designed and manufactured by Utopia.

Highlights

- Choose from 12 painted colourways
- Offering a wide choice of basins, typically semi-recessed, drop-in or fabricated Coralux Solid Surface basin
- Door and drawer fronts are skilfully crafted using a four piece solid wood frame with a real wood veneered centre panel
- Use painted Roseberry panels to create a fully co-ordinated look
- The curved Roseberry door also features the classic bordered panel design
- Designed and built in the UK by Utopia's team

Making Your Installation Easier

- Units delivered fully factory assembled
- Fully adjustable wall-hanging kit provided

Painted Perfection

The Roseberry collection offers 12 stunning specially selected painted colourways. These finishes have been chosen specifically to complement the authentic period characteristics of the Roseberry range.

Cotton White
A soft off-white with an underlying warmth, perfect for creating an illusion of space.

Natural Limestone
Inspired by the beauty of natural stone, this shade combines hints of grey, cream and alabaster.

Dove Grey
Accentuate the beautiful characteristics of the Roseberry door with soft Dove Grey

Clotted Cream
Create the English country cottage feel with this elegantly understated finish.

Wild Mushroom
Warm and restful, Wild Mushroom is a beautiful shade of taupe with undertones of grey.

Rose Quartz
Bold yet beautiful, Rose Quartz certainly makes a statement in any space.

Royal Mulberry
Our deep Mulberry has a rich intensity for a truly stunning burst of colour.

Pistachio Green
Soothing and invigorating at the same time, this softer shade of green brings the natural world into the bathroom.

Highland Green
Inspired by the intense greens of the Scottish wilderness, this rich green is a classic from the heritage colour palette.

Peacock Blue
Peacock Blue is the perfect starting point when designing a statement bathroom.

Midnight Blue
Reminiscent of the velvety night sky, Midnight Blue is a classic deep dark shade of blue.

London Grey
Turn up the contrast with London Grey, a firm favourite at Utopia.

The Roseberry Modular Collection

From Cloakroom units and washstands to wall mounted options and beautiful curved washbasin units, there's a style and size to meet any requirement.

The Roseberry Fitted Collection

Choosing Roseberry Fitted furniture gives you the freedom to design the perfect bathroom for you and your family. Furniture units in different widths, depths and heights with matching cladding panels allow you to fit exactly the space you have, no matter how quirky, and lots of shelf and drawer space will keep your dream bathroom looking sensational.

1. Choose your desired worktop either **20mm** or **22mm**
2. Choose the worktop finish
3. Select the type of profile required from the options highlighted below.
   22mm available in Chamfered Profile and 20mm available in both Chamfered & Inverted.

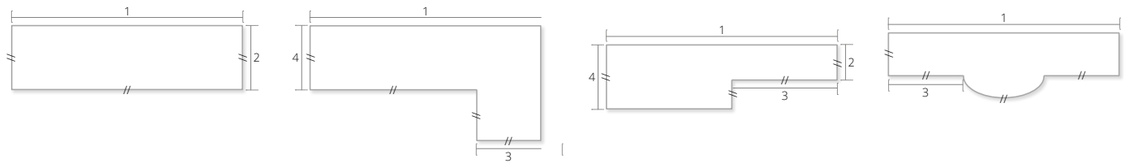
Chamfered Profile
A minimum 10mm overhang required on each open side

Inverted Chamfer Profile
A minimum 20mm overhang required on each open side

4. Please denote clearly the sides you require edging. Front edge always supplied as standard, the forward slashes show which edges are required to be profiled. Utopia recommend a minimum of 50mm extra when the worktop is being scribed to a wall.

Front only | All three edges | Left and front edge | Right and front edge

5. Please supply a dimensional drawing of the worktop required with the units clearly marked on so that we can check any discrepancies on your behalf. Please note the minimum overhang requirements denoted on step 3.
6. Please see the four most common worktop configurations below, showing the dimensions you need to supply when ordering your worktop.



7. Where a bow fronted worktop or fabricated bowl is required, please specify the centre from either end of the worktop. When ordering a bow fronted worktop or fabricated bowl, a 545mm deep worktop will be required as standard.

22mm Solid Surface Worktops

YOU Sit-on

Use the simple step-by-step guide below to order your YOU Sit-on washbasin unit complete with sit-on basin and worktop

How To Create Your YOU Sit-on Washbasin Unit

1. **Choose your unit**
   Choose your wall-mounted modular unit. Options include single and double drawer / door. There are even twin options for twin basins.

2. **Choose your unit size**
   Depending on your space, choose from a 600 or 800mm wide unit, or create a statement with our 1000mm units.

3. **Your finishes**
   Pick a carcass finish; your carcass finish will be hidden by your cladding panels. With 18 finishes to choose from, you can make your bathroom your own.

4. **Add your cladding panels**
   Remember, you'll need to order your cladding panels to complete the one-colour look.

5. **Add your worktop**
   Choose from eight 12mm Compact Laminate worktop finishes to complement your unit finish.

6. **Handles**
   Choose your handles from our selection, including the Vector 160, available in brushed nickel, matt black or brushed brass, and the Bold Square handle in Chrome. These are included in the price of your unit.

7. **Choose your sit-on basin**
   Explore our wide range of sit-on basins. The basin isn't included in your unit price, so remember to order separately.

YOU Slabtop

Use the simple step-by-step guide below to order your YOU Slabtop washbasin unit complete with slabtop basin

How to create YOU Slabtop washbasin unit

1. **Choose your unit**
   Simply choose your unit size and whether you want single or double drawers, or double doors.

2. **Basin**
   All YOU Slabtop furniture comes with a Modular Ceramic slabtop washbasin. Choose either a ceramic slabtop washbasin or a modular ceramic slimline slabtop basin for a different look.

3. **Choose your carcass finish**
   YOU Slabtop furniture features exposed carcasses, so your choice of carcass will be on display. Opt for a matching colour to your door finish, or choose a complementary finish.

4. **Your door finish**
   Pick a front door / drawer finish. With 18 finishes to choose from, you can make your bathroom your own.

5. **Handles**
   Choose your handles from our selection, including the Vector 160, available in brushed nickel, matt black or brushed brass, and the Bold Square handle in Chrome. These are included in the price of your unit.

How To Order Solid Surface Worktops

This page will help you to order perfectly fitted Solid Surface worktops, these examples reflect the most common configurations.

20mm Marble Effect Solid Surface Worktop

22mm Solid Surface Worktop

1. Choose your desired worktop either **20mm** or **22mm**
2. Choose the worktop finish
3. Select the type of profile required from the options highlighted below.
   22mm available in Chamfered Profile and 20mm available in both Chamfered & Inverted.

Chamfered Profile
A minimum 10mm overhang required on each open side

Inverted Chamfer Profile
A minimum 20mm overhang required on each open side

4. Please denote clearly the sides you require edging. Front edge always supplied as standard, the forward slashes show which edges are required to be profiled. Utopia recommend a minimum of 50mm extra when the worktop is being scribed to a wall.

Front only | All three edges | Left and front edge | Right and front edge

5. Please supply a dimensional drawing of the worktop required with the units clearly marked on so that we can check any discrepancies on your behalf. Please note the minimum overhang requirements denoted on step 3.

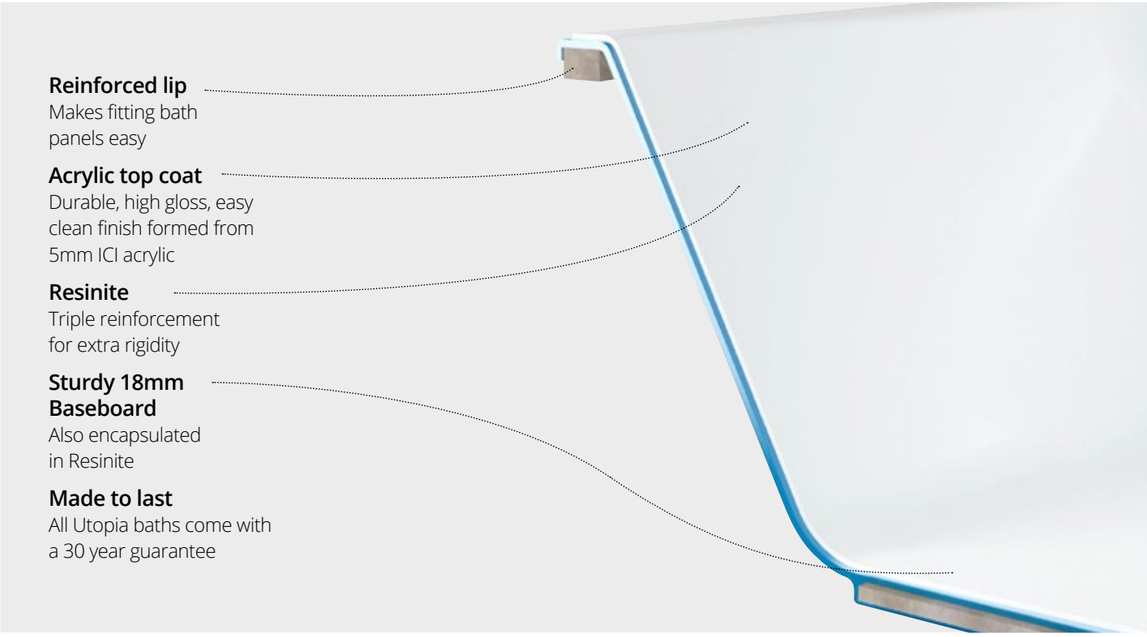
Resinite
BATH TECHNOLOGY

Utopia baths feature a Resinite coating for increased surface durability and a long life

All Utopia baths feature Resinite Bath Technology which provides triple layer reinforcement and a 5mm ICI acrylic top coat giving extra strength, rigidity and longevity.



Utopia baths are different

Utopia baths are made in the UK to the very highest standards. Our stringent quality control procedures ensure that each bath is checked thoroughly at every stage of manufacture.

Resinite coated baths offer the strength and rigidity normally associated with their heavier cast iron counterparts. The entire underside of each bath is coated in a layer of Resinite which provides excellent insulation properties, meaning your bath retains heat more efficiently, staying hotter for longer.

Retains Heat for longer

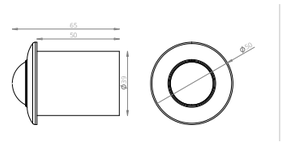
Innovative Technology Room Motion Smart Sensor

A room motion sensor is the ideal way to control your bathroom lighting automatically.
Simply programme it to your exact requirements to suit your lifestyle and let it do the rest for you.

Room motion smart sensor

- The sensor can be sited on any ceiling or flat surface
- Set the controls to suit your lifestyle, located behind the sensor's face
- Choose from 10 seconds to 15 minutes time
- Delay illumination
- Lux control can be specifically set to only activate at night time, if desired
- 360°motion activated
- We do not recommend the room motion sensor is used to operate any items with Bluetooth connectivity



Product code	Size	Price
ACC00001	65mm Diameter	**€81.18**

Discreetly styled

With a white coloured face to be as subtle as possible, the sensor can be sited on any ceiling or flat surface.

Integrated timer
Select duration of illumination in your bathroom.

Discreet
Smaller than an average spotlight.

Simple to use
Easy removal of the sensor face to reveal control panel.

Perfect your lighting

Set the controls to suit your lifestyle, located behind the sensor's face.

Lux adjustment
The above setting position would activate the sensor, whatever the lighting conditions.

Time delay adjustment
The above setting position would ensure that the lights remain on for 3 minutes after the last movement in the room is detected.

Accessories

Glass shelves

- 6mm toughened safety glass, complete with chrome support fixings
- These shelves are for decorative use only, and are not suitable for studded walls

Handle Overview

Please check if your chosen furniture range comes as standard with handles or if these are to be purchased separately. You can also purchase extra handles should you so wish. Choose a handle style to complement your choice of door from the matrix below.

Zara and Arabella doorstyles
From the Original Fitted Collection both come with their own integrated handle, in a choice of finishes.

Nadia doors
Designed to be used with the Nadia handle, but any style can be used, although these will not be pre-drilled for. The three Nadia handle options Bar, Bow and Quill are in various sizes to suit the Nadia doorstyle. Certain reduced depth units doors with Nadia handles may not open fully if adjacent to deeper units. Nadia handles can be chosen for all other doorstyles but won't be factory fitted. If you choose not to have a Nadia handle with a Nadia doorstyle these handles will not be factory fitted.

Clara and Amelia doorstyles
Choose from the below options, except door specific handles.

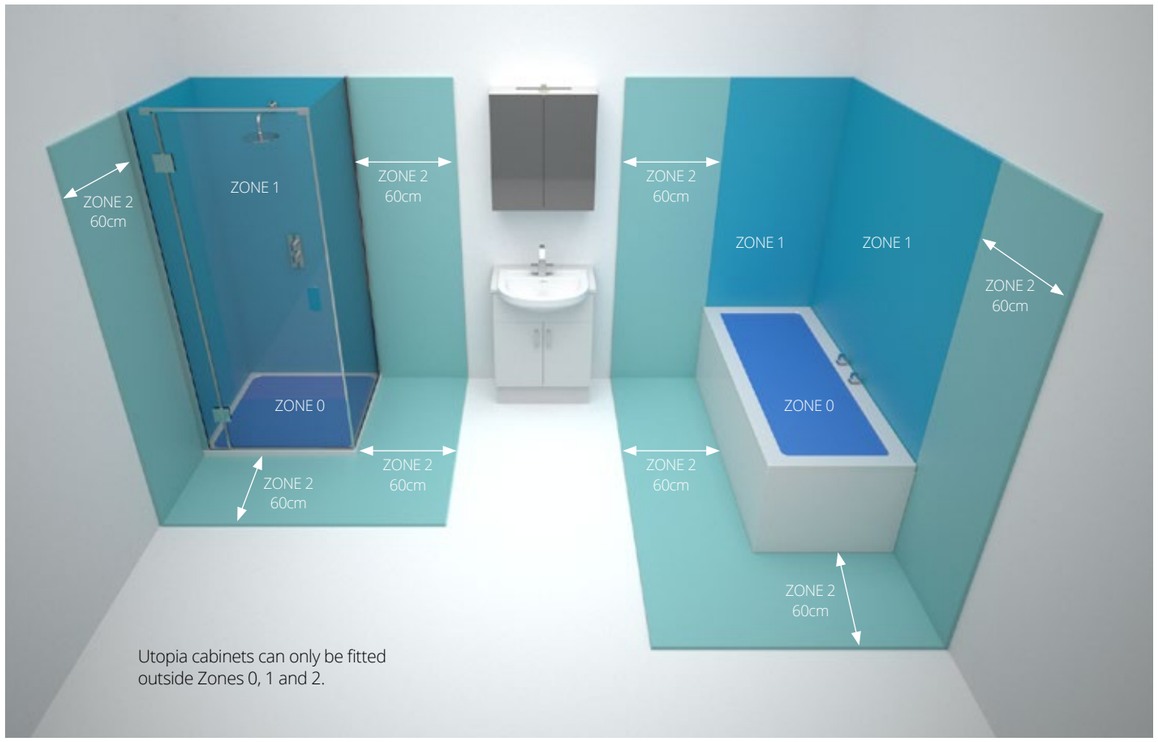
Bathroom Electrical Zones

Utopia cabinets with electrical components are not suitable for use in zones 0, 1 or 2.
The bathroom zones are shown in the diagram below and where electrical components can be fitted.



Zone 0

Covers the areas inside the bath or shower area. If you decide to illuminate this area the fittings must be low voltage and must have a minimum rating of IP67 making them immersion proof.

Zone 1

Covers the area directly above the bath or shower area to a height of 2.25m from the floor. A light with a minimum IP44 rating is required for this area. If the light uses 240V supply, a 30ma RCD (residual current device) must be used to protect the circuit in this zone.

Zone 2

Covers the area 0.6m outside the bath's perimeter and to a height of 2.25m from the floor. As with Zone 1, a minimum IP44 rating is required for this area.

Outside Zones

Outside zones cover areas which fall outside of Zone 0,1 and 2 and are well away from any contact with water. No IP ratings are required for light fittings in this area.

Terms and Conditions

TERMS AND CONDITIONS
We hope you found our brochure inspirational and informative. We make every effort to display colours accurately, but cannot guarantee an absolute match on our website and in our printed material so you may find that products vary slightly in colour. Many of our products are made to order, meaning that some of our product sizes and measurements indicated in our promotional material may be subject to slight variation and we'd ask you to plan accordingly. All orders for furniture as well as bespoke worktops including the Integrated Coralux washbasin work surface cannot be cancelled or amended once they have been submitted to our manufacturing department.

SAMPLE SERVICE
You will find displays of our furniture styles, colour samples of finishes, worktops and tiles are available to view at over 550 Utopia specialist retailers across the UK. To find your nearest showroom visit our website. We also offer a free online sample service where you can order your preferred colours of finishes and worktops from our website to review in the comfort of your home.

GENERAL GUARANTEE TERMS
All Utopia products are designed and manufactured to comply with or exceed accepted industry standards and tolerances. In the unlikely event that a product fails to meet our high expectations it will be replaced free of charge. Any product deemed to fall within accepted standards and tolerances will be subject to a replacement fee.

GENERAL GUARANTEE:
1. Applies when:
1.1 Products are installed correctly in accordance with our fitting instructions and are for domestic use in a room with suitable ventilation; we highly recommend the use of an extraction fan.
1.2 Cisterns and taps are fitted in accordance with current local and national water regulations.
1.3 Furniture is not used in a wet room environment or in frequent direct contact with water.
1.4 Coralux Solid Surface products have been stored correctly in accordance with our packaging instructions; specifically these must be stored flat at normal room temperature prior to installation to avoid any distortion.
2. In the event of a product failure within the guarantee period (from the date of purchase) Utopia will supply a free of charge replacement for the failed item. If that part is no longer available, a nearest equivalent replacement will be supplied. Our guarantee is limited to the products supplied and does not cover any associated installation costs, consequential loss or damage claims.
3. The terms of this guarantee do not affect consumer statutory rights.
4. Any guarantee is limited to the original purchaser, is non-transferable and does not cover the purchase of ex-display items.
5. To obtain replacement parts in accordance with the terms of this guarantee, please contact the retailer who supplied the products.
6. Product guarantees may be invalidated through incorrect care and maintenance procedures. These are contained in the original product packaging and are also available from our Customer Services team.
7. All electrical installations must be carried out by a suitably qualified electrician. Your guarantee does not cover products incorrectly installed.

BATHROOM FURNITURE
Utopia furniture has been specifically designed and manufactured for performance in general bathroom use and carries a 5 year guarantee. All bathroom furniture will deteriorate through prolonged periods of exposure to high levels of condensation so bathrooms must be adequately ventilated using a suitable extraction fan to avoid this. Failure to ensure adequate ventilation may invalidate your guarantee. Bathroom furniture is not specified or designed for use in areas of regular or direct contact with water, particularly in wet room environments or where direct and/or regular water contact is prevalent. Any guarantee does not extend to this use. In respect of furniture containing electrical components, these items are unsuitable for zones 0, 1 & 2 installations. If you are in any doubt, please consult a qualified electrician. Please refer to individual product pages within the Utopia price list for IP rating information or bathroom zone suitability.

CARCASS MATERIAL
Many of our finishes are intended to replicate natural materials such as wood and stone where pattern and shade variation are distinct parts of the design.

CORALUX SOLID SURFACE PRODUCTS
Some of our Solid Surface worktop range is designed to replicate natural stone material and is subject to colour, tone and pattern variation. Coralux Solid Surface products are fabricated and finished by hand to individual order requirements and carry a 5 year guarantee. We strongly recommend you agree the measurements of any Solid Surface items against our order confirmation, as it may not be possible to make further amendments to orders after this stage, at which point any order becomes chargeable in full. If amendments are possible, charges may apply based on the stage of manufacturing completion at that time.

MINERALCAST PRODUCTS
Mineralcast products carry a 5 year guarantee and are supplied with a 2% dimensional tolerance.

BATHS
Baths are supplied with a 30 year guarantee against manufacturing defects. All baths are supplied undrilled. All baths are manufactured and supplied using high quality 5mm cell cast acrylic, are fully reinforced with Resinite technology and are delivered with a protective film to prevent scratching.

SHOWER SCREENS
All shower screens are supplied with a 5 year guarantee against manufacturing defects. All shower screens are supplied with 8mm toughened glass (except Symmetry with 6mm) and Clearshield technology, a permanent water repellent coating that reduces the growth of bacteria and mould. These products can be susceptible to damage during installation and any product faults must be reported prior to installation.

SANITARYWARE
Utopia sanitaryware carries a lifetime guarantee against manufacturing defects with the exception of the Quinn sit-on basins which carry a five year guarantee (dedicated Quinn waste covers 2 years) and is supplied with a 2% dimensional tolerance. Installation must be in accordance with the instructions provided and failure to comply with these may invalidate the guarantee.
In respect of wall-hung products, recommended fixing brackets and frames must be used. These are not included with our wall-hung pans.

TOILET SEATS
A 2 year guarantee applies to all toilet seats and related components. It is the responsibility of the consumer to ensure that suitable cleaning products are used. Do not use abrasive cleaning products or cleaning products that contain chlorine or acids, as these may cause yellowing or peeling of the material. After cleaning, wipe the seat with a well wrung out cloth. Leave the seat and lid up whenever strong cleaning products are left in the bowl of the toilet pan to prevent damage from vapours.

CONCEALED CISTERNS
Concealed cisterns carry a 5 year guarantee against manufacturing defects. It is the responsibility of the individual installer to ensure that these products are fitted correctly and in line with the instructions provided.

BRASSWARE
Brassware products are either suitable for high or low pressure, some are suitable for both so please refer to the product description for further information. Brassware carries a 10 year guarantee on brassware and a 5 year guarantee on cartridges against manufacturer defects. Black and Brass finish brassware carries a 2 year guarantee. All basin and bath wastes carry a 5 year guarantee for chrome finishes and a 2 year guarantee for Ceramic, Matt Black and Brushed Brass finishes

TILES
We carefully select our range of tiles to co-ordinate with our furniture, however the production method of tiles mean that shading and colour may vary across different production batches. Order fulfillment will be from a single production batch wherever possible. We recommend taking all the tiles out of the box before installation and installing them according to slight shade differences rather than installing them directly from the box one by one. We recommend that you keep a note of your batch number in case additional tiles are required. Time difference from the original order will reduce the likelihood of the same batch being available.
Our tile collection contains both wall and floor tiles. Floor tiles can be used on the walls but wall tiles are unsuitable for use on floors.
In line with our restocking policy, a minimum of two full, unopened boxes can be returned within 28 days of purchase, subject to the tiles and packaging being in a resaleable condition from the same batch and same original order.

COMMERCIAL APPLICATIONS
A 12 month guarantee applies to all products fitted in a commercial environment.

CARE AND MAINTENANCE
We always aim to provide the best quality products but there are occasions when this isn't possible. We have found that most issues stem from poor ventilation in bathrooms. We recommend that you ensure your bathroom is well ventilated using a suitable air extraction fan before our products are fitted. We regret that we cannot guarantee our products if they have been fitted in a poorly ventilated bathroom. Our specialist retail showrooms can provide advice and help you make the right ventilation choices.
With proper care and maintenance your bathroom products will last for years to come. The best and safest cleaning method is to use only warm water or pH neutral cleaner with a soft clean cloth. Never use an abrasive cloth. Never use chlorine, caustic, acid or alkaline based cleaners.

OUR ENVIRONMENTAL COMMITMENT
Sustainability is high on our agenda and we strive to make the least environmental impact. From the wood we use, the energy we consume, to our transport logistics, we take care to ensure we operate as responsibly as possible.
The information contained in this brochure is correct at the time of print as of March 2025. However, we reserve the right to alter materials and specifications in line with our continuing programme of product and service development.

HOW TO ACTIVATE YOUR UTOPIA GUARANTEE
Once your bathroom has been installed remember to activate your guarantee on our website. You will need to include the name of the Utopia retailer you purchased from.
