

AMANTE TAPS

SHORT PROJECTION BASIN MONOBLOCK MIXER TAP

complete with Chrome and Satin Chrome interchangeable heads. The base plate is supplied in Chrome and Satin Chrome. Includes pop-up waste.

AMTAP SPBAS £192.00

• A reduced length spout and shorter overall height make the Amante Short Projection Mixer Tap ideal for cloakroom and short projection basins. Due to its shorter spout length, we do not recommend using the short projection tap with a Wave unit. Please order the standard Amante basin mixer.

BASIN MONOBLOCK MIXER TAP
