## **UTOPIA INTRODUCES NEW BROCHURE**

To coincide with its major product launch at the recent KBB exhibition, Utopia Bathroom Group has introduced a new 204 page brochure detailing the entire product range.

The undisputed brand leader in fitted furniture, Utopia also offers well-established ranges of modular furniture, sanitaryware and brassware. At the show, exciting new products were introduced in each of these categories and, at the same time, the product portfolio was significantly enhanced with the launch of a range of baths and shower enclosures.

The new brochure presents the product range through a series of imaginative and inspirational lifestyle settings. Detailed product information including retail prices is towards the back of the brochure.
