Instructions for Use

Please ensure all products are installed correctly in accordance with our fitting instructions and are for domestic use in a room with suitable ventilation; we highly recommend the use of an extraction fan. Utopia furniture has been specifically designed and manufactured for performance in general bathroom use. All bathroom furniture will deteriorate through prolonged periods of exposure to high levels of condensation so bathrooms must be adequately ventilated using a suitable extraction fan to avoid this. Failure to ensure adequate ventilation may invalidate your guarantee. Bathroom furniture is not specified or designed for use in areas of regular or direct contact with water, particularly in wet room environments or where direct and/or regular water contact is prevalent. Any guarantee does not extend to this use. In respect of furniture containing electrical components, these items are unsuitable for zones 0, 1 & 2 installations, unless stated in the pricelist.

Every effort has been made to ensure that the information provided on this document is correct at the time of creation. Finally, Utopia Furniture Ltd reserve the right to alter materials and specifications in line with continuing programme of production and service development.
