

Utopia Contract Specification Guide

Trust Utopia to add that quality touch to your developments

Bathroom Perfection

Developed exclusively for the contracts market

Our knowledge of retail trends and ability to adapt them to create an impact in your show homes makes us the trusted expert for regional and national housebuilders alike.

Everything for the British Bathroom

Contemporary wall-mounted and modular freestanding ranges in a selection of on-trend finishes.

Compact and sophisticated fitted furniture in a huge choice of styles, finishes and endless configurations.

Ancillary products such as brassware, ceramics, baths, mirrors, handles and a full range of curated wall and floor tiles.

Trust Utopia to add that quality touch to your developments

With a dedicated team on hand, Utopia has the experience, knowledge and product offering to make your development stand out from the rest.

Utopia is a leading British brand and has been a pioneering force in bathroom solutions for over 35 years.

Established in 1989, Utopia is run by its founding partners retaining the core values of premium quality, inspired design and exceptional service.

Here at Utopia we understand the importance of bathroom spaces for the new home buyer, delivering on style and functionality where relaxation and smart storage solutions are equally valued in today's busy lifestyles.

We also understand how to successfully deliver your new build project. From clear and detailed designs and 3D visuals, competitive pricing and lead times, through to a volume manufacturing capability that can meet your peak year-end demands. All delivered via our own nationwide distribution fleet.

Whether you're a housebuilder, architect, interior designer or contractor, the Utopia Contracts team will help you achieve the highest quality, superbly designed, beautifully finished bathroom projects.

We are committed to satisfying the needs and expectations of our customers through sustainable, mutually beneficial, and long-term partnerships.

We work with some of the UK's leading housebuilders

Now we'd love to work with you.

With over three decades of experience working with some of the UK's best-known developers, you can be sure that we have the knowledge, range of products and capability to fulfil your requirements, no matter how demanding. Our open-minded and progressive team are experts in providing creative and innovative solutions to your needs.

"We have been working with Utopia Bathrooms for over 20 years and have watched them grow into the UK's largest manufacturer of bathroom furniture."

They are a reliable, design-led company who understand the specific needs of the housebuilder."

Michael Finn, Group Design & Technical
Barratt Group PLC.

We take our environmental commitments seriously

We strive to engineer products with the longest possible lifespan. That's better for you and better for the environment.

Our cabinets don't travel across the planet to reach you, they are despatched direct from the point of manufacture in the heart of the Midlands, saving hundreds of tonnes of carbon every year.

From the raw materials we choose for our furniture down to the paper we use in our offices, every decision we make is led by our commitment to the environment.

We exceed annual Environment Agency recycling targets

All of our offcuts and sawdust waste is used as fuel to heat our factory

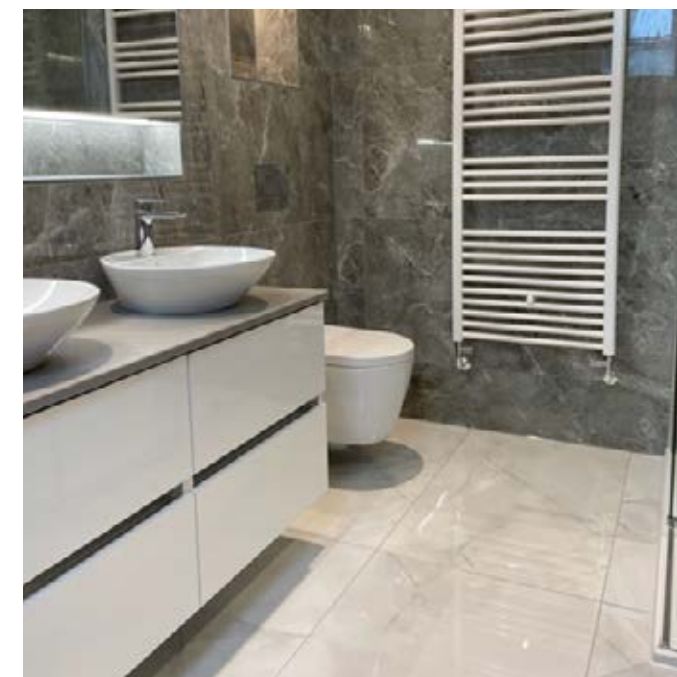

Our cardboard packaging is cut to exact size on-site to minimise waste

Almost 100% of timber used in our furniture is FSC® certified

Upgrading our own delivery fleet to cleaner and more efficient vehicles

Delivering Quality

We pride ourselves on our cutting edge in-house design, teamed with the latest engineering and quality control processes.

At Utopia, our ethos has always been to design and engineer the very best solutions for the British bathroom. Since 1989 we've been developing innovative and exciting bathroom innovations that offer choice, value for money and longevity to both our trade and retail customers.

We are proud to have highly skilled in-house design, CAD and engineering professionals to make your designs a reality. All Utopia furniture is designed and manufactured in the UK, at our West Midlands headquarters.

We've invested over £2m in state-of-the-art machinery and processes in the last two years alone. Our award-winning products and ever-evolving ranges always stay ahead of consumers' expectation.

Superior Standards

We are committed to the very highest quality standards for both the materials we use and our production processes.

Our products are only as good as the equipment used to produce them – this mantra drives superior standards in our manufacturing with constant investment in our equipment and skilled workforce.

All our timber products are sourced from FSC® certified suppliers who hold Chain of Custody certification, and the wood used in our factory is sourced from well-managed, sustainable forests.

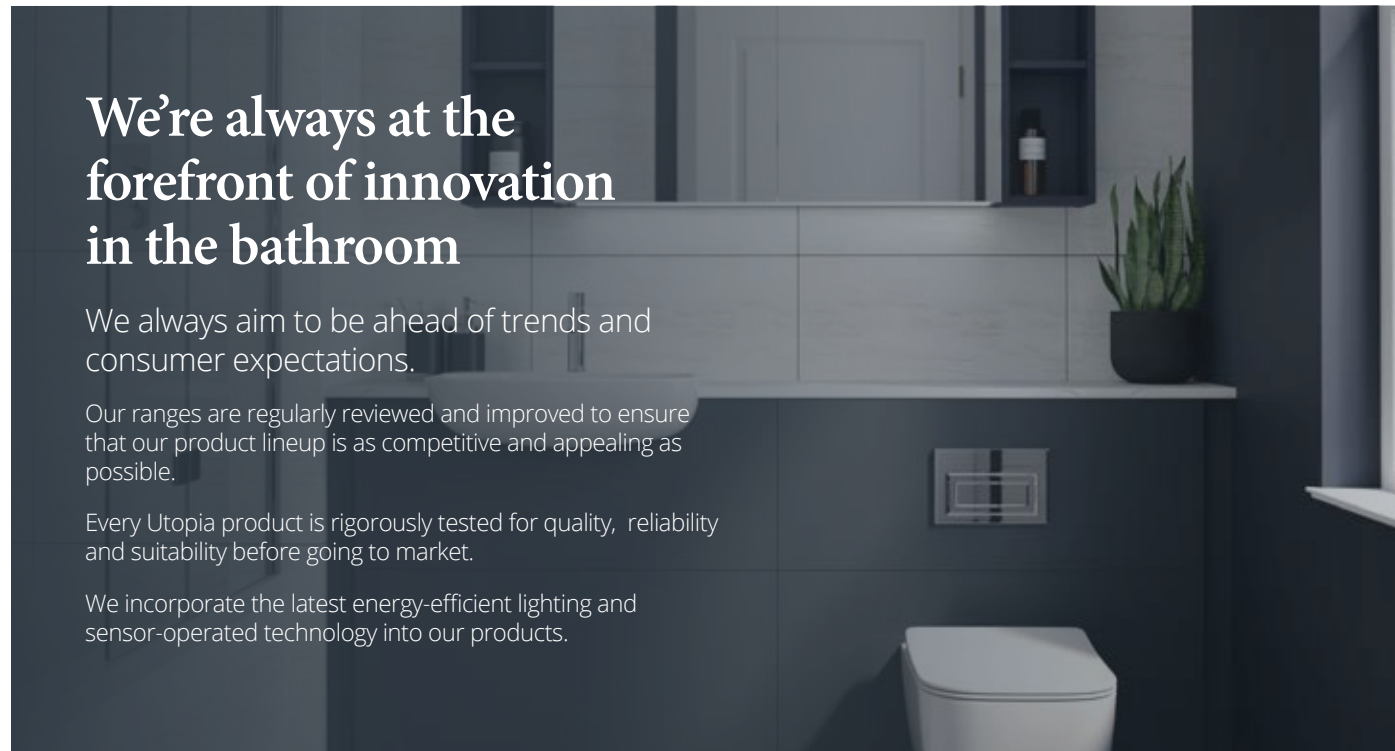

It's attention to detail like this that has led us to be a multi-award winning brand.

Responsive and knowledgeable in-house customer support

Delivering outstanding customer care is key.

That's why our highly trained specialist contracts team will support your requirements from initial enquiries and design proposals through to delivering that all important beautiful bathroom, providing you with total support and complete peace of mind.

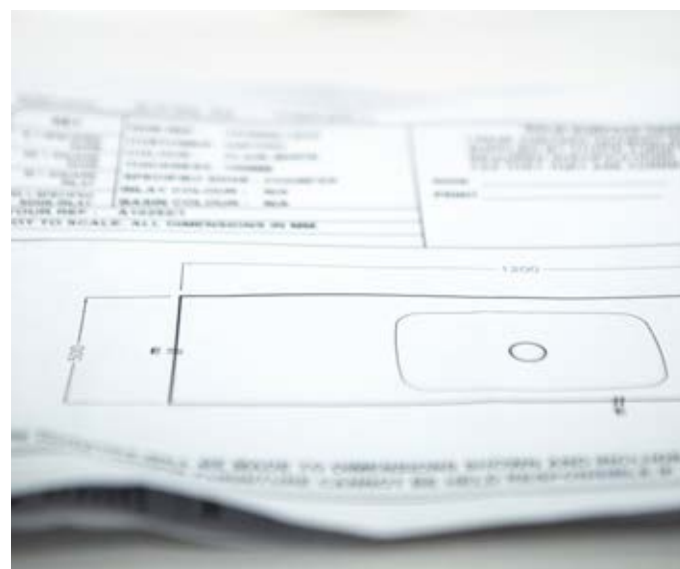

We're always at the forefront of innovation in the bathroom

We always aim to be ahead of trends and consumer expectations.

Our ranges are regularly reviewed and improved to ensure that our product lineup is as competitive and appealing as possible.

Every Utopia product is rigorously tested for quality, reliability and suitability before going to market.

We incorporate the latest energy-efficient lighting and sensor-operated technology into our products.

CAD Expertise

We have a dedicated team of CAD specialists who will work with you every step of the way in helping to transform your plans into a reality.

Whether you supply architect sketches or plan visuals we will turn these into stylish beautiful bathrooms planned and brought to life.

Our Nationwide Delivery Network

With a modern fleet of branded delivery vehicles, we cover every corner of the UK and Ireland.

With FORS Accreditation, we maintain best practice across our fleet in terms of safety, efficiency and environmental protection. Our team of drivers are courteous, professional and punctual.

We operate a fleet of Scania Euro 5 engine delivery vehicles.

Whatever your requirements, we have a solution for you

Match Bathroom Furniture

Match, as its name suggests, provides the perfect furniture solution for your specified choice of washbasin.

Complementary Products

From bath panels to bulkhead shelves and towel niche boxes, we have a solution for you.

Décor Access System

Designed to make fitting and any subsequent access simple and straightforward - the perfect solution for ongoing non-destructive maintenance.

Illusion Mirror Cabinets

Capture and magnify the light with a large mirror cabinet, making the room appear more spacious and providing vital storage space.

Mirrors

The right mirror can make any room appear more spacious and providing vital storage space, as well as a source of illumination.

36 Sanitaryware

40 Handles for Match units

42 We're here to help

Match Bathroom Furniture

Our versatile range of Match cabinets makes it simple to add storage to any existing washbasin that may be in your specification lineup.

Our furniture is all British designed and manufactured to the very highest standards so you can be assured of superior quality.

Match Collection

Specify the branded washbasin of your choosing from the list below with the Utopia Match range of furniture. Designed around industry-favourite ceramics, our versatile range of high-quality, British-made basin units are the perfect match for your vision.

Utopia Contract Bath Panels

Removable side and end Bath Panels
Foil-wrapped MDF side and end panels, with plinth. Available in all finishes shown below. Easily and quickly removable for access to pipework.
Engineered for Precision. Designed for Flexibility
When it comes to contract projects, time, consistency, and adaptability matter. Our Contract Bath Panel System has been purpose-built to offer a seamless solution that saves both time and cost on site.
We are proud to offer a bath panel with integrated filler panels. This innovative feature allows for effortless adjustment to out-of-true dimensions, ensuring a perfect fit even in challenging environments. No more compromises, no more on-site modifications, just a clean, professional finish every time.

Available Configurations

1700mm/1800mm MDF Removable Bath Side Panel	700mm/750mm/800mm MDF Removable Bath End Panel
Compatible with Roca Contessa, Laufen Pro & V&B Oberon Baths	Compatible with Roca Contessa, Laufen Pro & V&B Oberon Baths

1800mmMTPRBP18/***	750mmMTPREP75/***
	800mmMTPREP80/***

Key Features & Benefits:
Flexible Fit - Filler panels allow for those out of true scenarios accommodating uneven walls and floors with ease.
Time-Saving – Reduce installation time by avoiding complex adjustments on site.
Consistent Quality – Achieve a uniform, high-end finish across every project, regardless of site irregularities.
Cost-Efficient – Minimise waste and labour costs by installing panels that work with the space, not against it.
Why Choose Our Contract Bath Panel?
With unrivalled adjustability, robust design, and ease of installation, our bath panel system is the smart choice for developers, contractors, and housing providers who demand efficiency without sacrificing quality.
Bring confidence to every installation, choose the bath panel designed to deliver results where it matters most.

Décor Access System

An innovative front frame system with removable decor panels allowing full access to plumbing for easy maintenance and replacement. Designed to be cost-effective, clean, quick to install and reliable.

Décor Access System available configurations

1200 x 900 2 fascia system

1200 x 900 4 fascia system

1400 x 900 4 fascia system

1600 x 900 4 fascia system

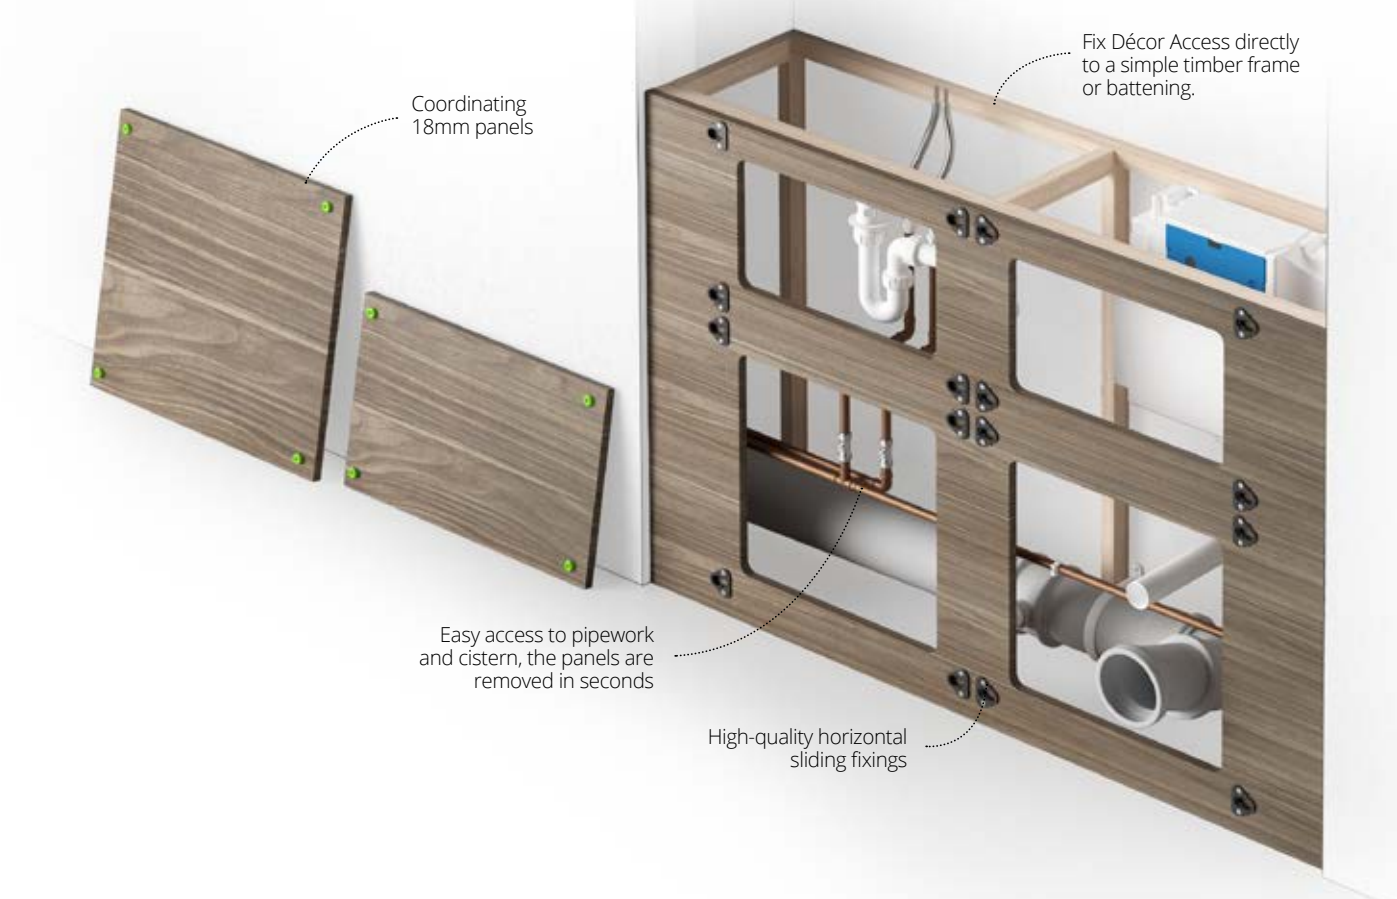

1800 x 900 4 fascia system

2000 x 900 4 fascia system

How the Décor Access system works

Oversized pre-cut and drilled frame scribed into aperture. Factory-edged Décor panels are pre-drilled for fixings. Basin and WC Décors are cut on-site and simply clicked into place.

Décor Access allows for a sleek, contemporary and minimalist installation in a wide range of finishes.

Fascias can be quickly removed by sliding the panel outwards to release the retaining catches.

The fascia frame is sturdy and easy to install, providing wall-to-wall fitting.

With fascias removed, access to plumbing and isolation points is easy, allowing for lower cost maintenance.

Décor Access System 1400

Décor Access 1400 is a more compact solution for bathrooms and ensuites.

An innovative front frame system with removable decors for full access to plumbing for maintenance and replacement.

Cleaner aesthetics

Quicker installation

No wet trades

Immediate access

Improved access for cistern replacement

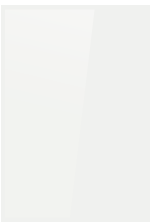

Easier and cheaper customer care solution

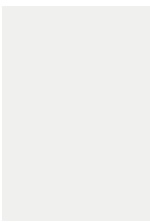

Benefits:

- ✓ Improves programme speed - installation time **reduced to 1 hour per frame**
- ✓ Reduces **installation cost**
- ✓ De-skills installation to **1 dry trade**
- ✓ **Weight bearing frame** so site boxing can be value engineered
- ✓ **No cutting** into tiling for towel box and flush plate
- ✓ **Immediate** access (no towel box to unscrew)
- ✓ Much improved access with cistern maintenance and **replacement now possible without breaking tiles**
- ✓ Quicker and **cheaper customer care resolution** for on-going maintenance responsibility

Sanitaryware

From space saving semi-recessed styles through stylish sit-on options, we have a solution to suit all furniture requirements.

Corr

Range highlights

- Elegantly sculpted design with contemporary styling
- Three semi-recessed basin styles including space-saving options
- Gentle curves with a gracefully sculpted rim
- Three co-ordinating, easy-clean toilet styles with a slimline soft close toilet seat
- Hygienic rimless design which optimises water usage and flushing efficiency.

Corr cloakroom semi-recessed washbasin

w.450mm x d.350mm x h.175mm
with integrated overflow and one tap hole, for use with a reduced depth fitted washbasin unit.

Corr short projection semi-recessed washbasin

w.550mm x d.350mm x h.175mm
with integrated overflow and one tap hole, for use with a reduced depth fitted washbasin unit.

Corr standard semi-recessed washbasin

w.550mm x d.450mm x h.175mm
with integrated overflow and one tap hole, for use with a fitted washbasin unit.

Corr back-to-wall toilet

w.360mm x d.500mm x h.395mm
With quick release soft close slimline seat. Easy to clean rimless pan design. Space saving Short Projection.

Corr wall-hung toilet

w.360mm x d.500mm x h.300mm
With quick release soft close slimline seat. Easy to clean rimless pan design. Space saving Short Projection.

Corr close coupled toilet

Close coupled back-to-wall toilet
w: 360mm x d:600mm x h:800mm
With quick release soft close slimline seat. Easy to clean rimless pan design. Space saving Short Projection. Full and half flush.

Quantum Round

Range highlights

- Elegantly sculpted design with contemporary styling
- Three semi-recessed basin styles including space-saving options
- Gentle curves with a gracefully sculpted rim
- Three co-ordinating, easy-clean toilet styles with a slimline soft close toilet seat
- Hygienic rimless design which optimises water usage and flushing efficiency.

Quantum Round cloakroom semi-recessed washbasins

w.450mm x d.355mm x h.135mm
with integrated overflow and a choice of one or two tap holes.
One tap hole version, the tap position is offset to the left hand side of the basin indicated by the dotted line opposite. For use with a reduced depth fitted washbasin unit.

Quantum Round short projection semi-recessed washbasins

w.550mm x d.355mm x h.160mm
with integrated overflow and a choice of one or two tap holes. One tap hole version, the tap position is offset to the left hand side of the basin indicated by the dotted line opposite. For use with a reduced depth fitted washbasin unit.

Quantum Round standard semi-recessed washbasin

w.550mm x d.460mm x h.160mm
with integrated overflow and a choice of one or three tap holes. For use with a fitted washbasin unit.

Quantum Round back-to-wall toilet

w: 360mm x d: 550mm x h: 410mm
With soft close seat. Ideal for use with a toilet unit.

Quantum Round wall-hung toilet

w: 360mm x d: 550mm x h: 340mm
With soft close seat. Ideal for use with a toilet unit. TThis wall-hung version requires a wall-hanging toilet frame for installation purposes.

Sit-on Washbasins

Stratton
Mineralcast sit-on washbasin
w: 380mm d: 380mm h: 150mm

The gleaming mineralcast sit-on Stratton basin is ideal for use with wall mounted or deck mounted taps. This basin does not have an overflow and requires an un-slotted waste.

Quinn
Matt ceramic sit-on washbasins
w.365mm x d.365mm x h.120mm

This beautifully crafted circular basin has a smart matt finish and is available in pure white (Chalk) or sophisticated black (Twilight). This basin does not have an overflow and requires an un-slotted waste.

The optional colour coordinated waste is available in Chalk and Twilight.

Miro
Ceramic sit-on washbasin
w.430mm x d.430mm x h.150mm

An elegant circular design, Miro features an integrated overflow, ideal for use with wall mounted furniture. Suitable for wall or deck mounted brassware only. Use a slotted basin waste.

Opula
Ceramic sit-on washbasin
w: 600mm d: 400mm h: 140mm

The Opula sit-on washbasin is ideal for use with wall mounted or deck mounted taps. This basin does not have an overflow and requires an un-slotted waste.

Quantum Square Elegant
Ceramic sit-on washbasins

- 1. w.445mm x d.310mm x h.85mm
- 2. w.500mm x d.420mm x h.90mm

A contemporary design, available in two sizes, both featuring one tap hole and integral overflow for use with a slotted waste.

Hepworth
Mineralcast sit-on washbasin
w.606mm x d.402mm x h.143mm

With elegant sculpted curves, Hepworth is a sit-on washbasin in sparkling mineralcast finish.

This basin does not have an overflow and is supplied as standard with a freeflow waste.

Quantum Square Slabtop
Ceramic sit-on washbasins

- 1. w: 500mm d: 440mm h: 130mm
- 2. w: 600mm d: 440mm h: 130mm

Available in two sizes, both featuring one tap hole and integral overflow for use with a slotted waste.
