

The Modular Collection

Bathroom Perfection

What makes Utopia the ideal choice for your next project?

Options for any budget

Whether you are looking to undertake a big or small bathroom renovation project, let us help elevate your space with a wide range of products to suit any style, size or budget.

Fitter friendly

All our furniture is pre-built factory assembled, saving you time during installation. All units are fitter friendly.

Saving you time

In many cases furniture may have factory pre-fitted handles saving valuable installation time and reducing installation costs.

Always a quality feel

All units come as standard with soft close drawers or doors for a quality feel.

Bespoke worktops

We have our own inhouse bespoke worktop department, dedicated to creating the perfect bespoke worktop to match your exact needs, with an array of different material types and finishes to choose from.

Customer support when you need it

Our experienced UK-based in-house customer support team are on hand to deal with any questions.

For over 35 years Utopia has been synonymous with British quality

Since 1989 our ethos has always remained the same; to offer creative and inspiring bathroom solutions, designed and manufactured here in the UK to the very highest specifications.

With an emphasis on style, our ranges have always led the way in British bathroom design. Our innovative and creative approach to British bathroom design has always put us one step ahead of the rest.

Every Utopia bathroom is hand-built to order in our state-of-the-art manufacturing facility in the heart of the UK. We use the finest, most sustainable materials and craft our furniture to the very highest quality standards with longevity in mind.

British-made quality, at a price you wouldn't expect

We are extremely proud to be a British manufacturer situated at the heart of the Midlands.

Every Utopia bathroom is hand-built to order in our state-of-the-art manufacturing facility in the heart of the UK.

We use the finest, most sustainable materials and craft our furniture to the very highest quality standards with longevity in mind.

We're proud to be an award-winning brand

We're delighted to have been voted Best British Bathroom Furniture Brand for five of the past nine years, a genuine endorsement of everything we stand for at Utopia.

Designed to recognise and reward excellence, The BKU Awards represent a truly independent stamp of approval as industry professionals in their thousands vote for nominated companies to determine who really is the best of the best.

Awarded 'Best Bathroom Furniture Brand' in 2017, 2018, 2020, 2023 and 2025 and Finalist in 2019, 2021, 2022, 2024, and 2026.

We take our environmental commitments seriously

We strive to engineer products with the longest possible lifespan. That's better for you and better for the environment.

Our cabinets don't travel across the planet to reach you, they are despatched direct from the point of manufacture in the heart of the Midlands, saving hundreds of tonnes of carbon every year. From the raw materials we choose for our furniture down to the paper we use in our offices, every decision we make is led by our commitment to the environment.

Our sustainability commitment

To reduce our waste

All of our offcut and sawdust waste that isn't suitable for recycling is used on site as biomass fuel to heat our offices and factory. Our cardboard packaging is cut on site to the exact size, minimising surplus waste and making transport more efficient.

To use locally-sourced, certified or recycled raw materials wherever possible

We're proud to be a British manufacturer and always strive to support other British suppliers and manufacturers. We always attempt to source our raw materials as close as possible to the point of assembly in order to keep transportation emissions to an absolute minimum.

To build quality products that last

To ensure complete reliability and longevity of our products, we work very closely with the companies who supply our components so that we always source the best possible option.

Add to this our own rigorous in-house testing facilities and you can be sure that your beautiful Utopia bathroom will give you many years of service.

Almost 100% of timber used in our furniture is FSC® certified

We exceed annual Environment Agency recycling targets

Our cardboard packaging is cut to exact size on-site to minimise waste

All of our offcut and sawdust waste is used as fuel to heat our factory

Upgrading our own delivery fleet to cleaner and more efficient vehicles

Shape your Space with new HeyU

Introducing the all-new HeyU modular collection. Our most versatile range ever. HeyU is designed to shape your space in the most unique and creative ways you can imagine.

Highlights

- Four Distinctive Design Styles – Choose from HeyU Smooth, HeyU Linear, HeyU Wave and HeyU Ripple; each texture offers its own mood, from minimalist calm to bold, sculptural impact.
- A Rich Palette of Finishes – thirteen stylish options, including a striking new metallic, give you the freedom to express your own personality.
- Endless Possibilities – Multiple unit sizes, configurations and storage options combine effortlessly with a wide choice of slabtop and worktop and sit-on washbasins, making it easy to design a bathroom that feels truly individual.
- Perfectly Coordinated Details – Matching tall units, WC units and ancillary pieces are complemented by internal and external mood lighting and premium door and drawer hardware for a flawless finish.

Making your installation easier

- Units delivered fully factory assembled
- Fully adjustable wall-hanging kit provided

HeyU Design Styles

HeyU Smooth A study in understated elegance, HeyU Smooth features a minimalist, flat slab door with a subtle chamfered edge. Clean, refined and effortlessly sophisticated, because sometimes, less truly is more.

HeyU Linear Sleek, contemporary, and timeless, HeyU Linear features clean vertical grooves that add structure and rhythm, perfect for those seeking a modern architectural touch.

HeyU Wave HeyU Wave captures the natural fluid beauty of nature. Relief profiles evoke the motion of ocean waves or windswept sand dunes, making every glance an experience of texture and movement.

HeyU Ripple Dynamic yet delicate, HeyU Ripple presents a dramatic arrangement of circular lines radiating from a central point. The design shifts and plays with light as you move around it, creating a subtle sense of motion and depth.

Basin Options

HeyU unit with a choice of ceramic or mineralcast slabtop basins.

HeyU unit with a choice of sit-on basins. You'll also need to order a worktop, choose from 12mm Compact Laminate, 20mm or 22mm Solid Surface.

HeyU Unit sizes

Depending on your space, choose from a 500mm single door cloakroom, 600mm wide or 800mm wide single drawer, double drawer or single drawer line unit. Alternatively, create a statement with HeyU twin 1200mm or 1600mm single or double drawer units or single or double drawer line units.

HeyU Unit Opening Type

HeyU is available in either push-to-open or pull-to-open units. Push-to-open units are handle-less, pull-to-open units require a handle to be ordered separately. Choose from HeyU Chrome, Matt Black or Brushed Brass options.

For cleaner lines, HeyU Push-to-open units don't need handles. Simply press the front to open the drawer, and again to soft-close.

Pull-to-open unit, featuring the HeyU handle. Also features soft-close drawer runners as standard.

HeyU handle

For pull-to-open units, choose your HeyU handle finish.

HeyU Chrome handle

HeyU Matt Black handle

HeyU Brushed Brass handle

Dorchester Oak

Give the smallest room the star treatment it deserves! This cloakroom unit has all the inimitable style of HeyU ingeniously packaged into a neat, space-saving design.

Also available as Push-to-open

Sea Green

Designer vibes abound in this classy shower room where brass accessories accentuate the beautifully serene Sea Green finish. Understated, yet effortlessly sophisticated, this space proves that simplicity can be the ultimate in style.

Get the look

Opening: **Pull-to-open (handled)**, Finish: **HeyU Smooth in Sea Green**, Handle: **HeyU Brushed Brass handle**, Sanitaryware: **Halo 610mm Mineralcast Slabtop Washbasin** Brassware: **Divine Brushed Brass**, Mirror: **GlowLux Horizon**, Shower area wall tiles: **Teneva White Strata**, Floor tiles: **Vento Marble**

Also available as Push-to-open

Alpine Green

Dare to be different with HeyU Wave. This captivating design style channels the natural fluid beauty of ocean waves and windswept sand dunes, creating a tactile surface that's impossible to ignore. Mesmerising from every angle, HeyU Wave lifts bathroom elegance to an entirely new level.

Get the look

Opening: **Push-to-open**, Finish: **HeyU Wave in Alpine Green**, Sanitaryware: **Lustre Matt Slabtop Washbasin and Corr Back-to-wall toilet**, Brassware: **Divine Brushed Brass**, Mirror: **GlowLux Wave**, Wall tiles: **Barras Calico**, Floor tiles: **Tregatta Grey**

Also available as Pull-to-open

Azure Blue

The ultimate expression of a focal point, HeyU Ripple features a dynamic radial pattern of delicate circular lines that seem to shift and dance with the light. In any colour, it becomes a striking centrepiece, adding layers of intriguing depth and texture to your bathroom. Pair sparkling surfaces with darker, tactile finishes to heighten the contrast and create a space that's as dramatic as it is refined.

Get the look

Opening: **Pull-to-open (handled)**, Finish: **HeyU Ripple in Azure Blue**, Handle: **HeyU Chrome handle**, Sanitaryware: **Modular Slimline Washbasin**, Brassware: **Divine Chrome**, Mirror: **GlowLux**, Wall Tiles: **Teneva White** Floor tiles: **Vento Marble**
Also available as Push-to-Open

White Gloss

A faceted, jewel-like texture, HeyU Wave is designed to transform your bathroom into a bold and unforgettable statement. This bright and reflective choice becomes the true centrepiece of any space, exuding confidence and sophistication.

Paired with the refined, faceted texture of our HeyU Wave design and accented by the understated luxury of brushed brass finishes, White Gloss creates a crisp and striking aesthetic — a bathroom that feels as inspiring as it is elegant.

Get the look

Opening: **Pull-to-open (handled)**, Finish: **HeyU Wave in White Gloss**, Handle: **HeyU Brushed Brass handle**, Sanitaryware: **Halo Twin 1210mm Slabtop basin**, Brassware: **Divine Brushed Brass**, Bath: **Sensuelle Freestanding with Gloss White skirt**, Mirror: **GlowLux Mirror**

Also available as Push-to-Open

Carbon Black

We all know opposites attract, no doubt accounting for the enduring popularity of black and white colour schemes. That classic combination is given a contemporary boost here with the subtle textured surface of HeyU Linear and the beautiful metallic black basins and matching matt black Stapleford taps.

Get the look

Opening: **Push-to-open**, Finish: **HeyU Linear in Carbon Black**, Sanitaryware: **MetaLux Brushed Gunmetal Black Sit-on Basin and Corr wall-hung toilet**, Worktop: **12mm Compact Laminate in Grey Marble**, Brassware: **Stapleford Matt Black**, Mirror Units: **Universal Mirror units**, Wall tiles: **Harlyn Matt White**.

Also available as Pull-to-Open

Iridescent Bronze

HeyU Ripple is designed to command attention. Its mesmerising radial motif of interlocking circles plays with light and shadow, creating an ever-changing sense of movement and depth.

In dramatic shades of sumptuous Bronze and Brass finishes, this striking design exudes opulence and sophistication - a true statement piece for any bathroom.

Get the look

Worktops

To complement our elegant fitted furniture collections, we are delighted to present our range of beautiful worktops. The hand-picked finishes have been specially selected to complement or contrast perfectly with your choice of furniture and sanitaryware.

20mm Solid Surface worktops

Available in six finishes, with a choice of two edge profiles.

20mm Solid Surface is a synthetic material made from an acrylic polymer. It has a solid core and features realistic fixed and random veining to replicate marble and granite. In multiple widths and depths with cutbacks and curved contours, it is available with a choice of edge profile – chamfered or inverted chamfer.

22mm Solid Surface worktops

Available in eight finishes, with a chamfered edge profile.

22mm Solid Surface has a 3mm solid surface veneer laminated on to an 19mm solid MDF core and protective backing sheet. All worktops are hand edged and profiled to order, and are watertight. In multiple widths and depths with cutbacks and curved contours, it is available with a chamfered profile.

12mm Compact Laminate worktops

Available in eight finishes for use with Original Fitted, Contemporary Fitted, Chic and HeyU Collections

12mm Compact Laminate is made from pressurised multiple layers of resin-impregnated craft papers with a decorative surface on both sides. The core 12mm thickness is a solid colour designed to complement the surface décor. The surfaces of White Slate and Graphite Slate are embossed with the stone effect pattern for an exceptionally realistic look.

22mm Laminate worktops

Available in 17 finishes, with a bevelled edge profile.

22mm Laminate consists of a high pressure laminate sheet, postformed over a solid chipboard substrate. It has a radius profile along the front top and bottom edges and the short edge sides are square edged in matching material.

20mm Solid Surface Worktops

Made to order, our 20mm Solid Surface worktops combine the look of natural marble and granite, with the convenience, warmth and versatility of a man-made material. Available in six finishes with either a chamfer or inverted chamfer profile.

20mm Solid Surface worktop in Tempest Black

22mm Solid Surface worktop chamfered edge profile

22mm Solid Surface Worktops

Versatile and luxurious, our hand-made 22mm Solid Surface worktops come in a range of serene finishes.

Plain White

Purest clean and simple white Solid Surface.

Glacial White

Clean and crisp with subtle flecks of grey.

Snowstorm

A whirling blizzard of white and pale grey.

Coconut Cream

Deliciously flecked with contrasting creamy flakes.

Sandstorm

A swirling compression of sun-parched desert rock.

Persian Grey

Lightly and evenly flecked with contrasting specks of grey.

Fennel Seed

A soft, granite-effect featuring contrasting hints of quartz and sand.

Chalkboard

Bold and daring, this maelstrom of stormy darkness is irresistibly alluring.

Solid Surface worktops are designed to replicate natural surfaces and as a result may feature colour, pattern and tonal variations throughout.

12mm Compact Laminate Worktops

Our 12mm Compact Laminate worktops are specifically designed to give a slimline contemporary feel. The laminate is imprinted with the colour and distinctive texture of natural materials such as marble and slate, offering all the look of these popular surfaces in a highly durable, easy care format.

Mirrors

Light and reflection are essential parts of any new bathroom design and we've got a comprehensive selection ranging from simple mirror panels and framed mirrors through to co-ordinating mirror cabinets offering stylish storage for all shapes and schemes.

Look out, too, for sophisticated features such as sensor activated lighting and demisters.

Mirror Features

We design and manufacture a collection of beautiful mirrors and mirror cabinets to add those all-important finishing touches to your bathroom, including some of the latest technological features. Our handy guide below provides an overview of what to look out for.

LED Illumination

Create mood and atmosphere with creative use of low voltage LED lighting and under unit mood lighting. Not only are LEDs energy efficient, they produce almost no heat and offer a longer lifespan compared with older fluorescent style lighting.

Touch switch operated

A gentle tap within the illuminated sensor area will activate or deactivate the lighting feature within your mirror.

Demister

Through the use of an integrated heated demister pad located on the back of the mirror glass, these mirrors offer a steam-free solution for your bathroom. The demister feature turns on automatically when the mirror light is activated.

Integrated shaver / toothbrush socket

Providing a handy socket solution to ensure your electric shaver or toothbrush can be easily charged.

IP44 Rated

These mirrors will be protected from solid particles that are over 1mm in size and low velocity sprays of splashing water from every direction. These mirrors can be fitted in zones 1, 2 and outside zones in a bathroom.

Magnification area

Integrated into the mirror design is an additional magnified mirror, perfect for shaving or applying makeup.

Sensor operated

Our sensor activated mirrors are activated by a simple swipe of the hand. Not only are these easy to use but they provide a more hygienic option with no fingerprints or marks on the mirror itself.

Lustre Mirror Cabinet in Sea Green

Two Universal Double Door mirror units with Carbon Black Cladding panels

Mirror Cabinets

By choosing a mirror cabinet, you benefit from a spacious mirror and plenty of concealed storage space behind it. Ideal for keeping toiletries and medicines away from children.

Lustre illuminated mirror cabinet

Features integrated LED lighting and sensor operation. Doors are mirrored on both sides to give a panoramic reflection when open. Available in 3 widths.

Sit-on Washbasins

MetaLux Sit-on Basins

A quick guide to...

Washbasins

Semi-recessed - partially recessed into the worktop of fitted furniture.

Undermounted - typically fixed to the underside of a Solid Surface or Compact Laminate worktop.

Drop-in - drops into and rests on the surface of any worktop.

Sit-on - typically a bowl or vessel that sits directly on the worksurface.

Coralux Solid Surface inset - custom made bowl incorporated in a Solid Surface worktop.

Slabtop - single basin designed to suit wall mounted or freestanding units.

Toilets

Back-to-wall - floor standing with a concealed cistern in a wall or toilet unit.

Wall-hung - incorporated into a toilet unit using concealed cistern and fixing bracket. Can be used in combination with a WC unit and bracket or fixed directly to the wall surface using a wall mounting frame.

Close coupled - two piece toilet comprising pan and ceramic cistern designed to be stand-alone.

Corr

Range highlights...

- Elegantly sculpted design with contemporary styling
- Three semi-recessed basin styles including space-saving options
- Gentle curves with a gracefully sculpted rim
- Three co-ordinating, easy-clean toilet styles with a slimline soft close toilet seat
- Hygienic rimless design which optimises water usage and flushing efficiency.

Corr cloakroom semi-recessed washbasin

w.450mm x d.350mm x h.175mm
with integrated overflow and one tap hole, for use with a reduced depth fitted washbasin unit.

Corr short projection semi-recessed washbasin

w.550mm x d.350mm x h.175mm
with integrated overflow and one tap hole, for use with a reduced depth fitted washbasin unit.

Corr standard semi-recessed washbasin

w.550mm x d.450mm x h.175mm
with integrated overflow and one tap hole, for use with a fitted washbasin unit.

Corr wall-to-wall toilet

The Opula sit-on washbasin is ideal for use with wall mounted or deck mounted taps. This basin does not have an overflow and requires an un-slotted waste.

The optional colour coordinated waste is available in Chalk and Twilight.

Introducing the MetaLux Sit-on Basin Collection

Elevate your bathroom to a new level of sophistication with our exclusive range of luxurious metal basins. Crafted with precision and style, each basin is a striking centrepiece that unites contemporary design with luxurious detailing to make a bold statement in any space.

Available in three stunning finishes - Brushed Stainless Steel, Brushed Gunmetal Black and Brushed Brass - these basins bring a sense of refined glamour to any space. Their circular 350mm design combines smooth form with practical proportions, creating a focal point that feels both sculptural and functional.

Every basin is completed with a colour-coordinated waste, ensuring a flawless, seamless look down to the smallest detail.

Three eye-catching shades

MetaLux Brushed Stainless Steel

Bring a touch of industrial chic to your bathroom with the beautiful MetaLux basin in silvery Stainless Steel.

MetaLux Brushed Gunmetal Black

Dark and exotic, the MetaLux basin in gleaming Brushed Gunmetal Black is the ultimate design statement in a contemporary setting.

MetaLux Brushed Brass

This elegant basin in Brushed Brass practically glows with sophistication making it a fabulous focal point.

Why choose a MetaLux basin?

Precision-engineered from 3 mm Grade 304 Stainless Steel. Brushed Gunmetal Black and Brushed Brass finishes feature an advanced PVD coating for exceptional depth of colour and lasting durability.

Lead-Free & Eco-Friendly, MetaLux basins are produced without lead or other heavy metals to safeguard your water supply and the environment.

With outstanding corrosion resistance, MetaLux basins perform flawlessly in hard water, acidic and alkaline conditions, staying rust-free year after year.

Durable & Hard-Wearing – Scratch and impact-resistant construction stands up to frequent everyday use.

They're engineered from 100% recyclable materials help reduce waste and support sustainable design.

Effortless to Clean – Dense, non-porous surfaces leave minimal residue; a quick wipe with warm soapy water keeps your MetaLux basin looking like new within seconds.

Baths

A statement bath is the ultimate symbol of luxury. Whether you want an elegant freestanding bath with matching finish, a built in style with co-ordinating bath panels or a practical shower bath for the whole family, you'll find plenty of choice here.

Resinite BATH TECHNOLOGY

Utopia baths feature a Resinite coating for increased surface durability and a long life

All Utopia baths feature Resinite Bath Technology which provides triple layer reinforcement and a 5mm ICI acrylic top coat giving extra strength, rigidity and longevity.

Utopia baths are different

Utopia baths are made in the UK to the very highest standards. Our stringent quality control procedures ensure that each bath is checked thoroughly at every stage of manufacture.

Resinite coated baths offer the strength and rigidity normally associated with their heavier cast iron counterparts. The entire underside of each bath is coated in a layer of Resinite which provides excellent insulation properties, meaning your bath retains heat more efficiently, staying hotter for longer.

Retains Heat for longer

Sherwood Ecu
61 x 15cm

Sherwood Ivory
61 x 15cm

Sherwood Hazelnut
61 x 15cm

Sherwood Honey
61 x 15cm

Innovative Technology Room Motion Smart Sensor

An inexpensive room motion sensor is the ideal way to control your bathroom lighting automatically. Simply programme it to your exact requirements to suit your lifestyle and let it do the rest for you.

Discreetly styled

With a white coloured face to be as subtle as possible, the sensor can be sited on any ceiling or flat surface.

Integrated timer

Select duration of illumination in your bathroom.

Discreet

Smaller than an average spotlight.

Simple to use

Easy removal of the sensor face to reveal control panel.

Perfect your lighting

Set the controls to suit your lifestyle, located behind the sensor's face.

(Full daylight) (Nighttime setting)

Lux adjustment

The above setting position would activate the sensor, whatever the lighting conditions.

Time delay adjustment

The above setting position would ensure that the lights remain on for 3 minutes after the last movement in the room is detected.

We do not recommend the room motion sensor is used to operate any items with Bluetooth connectivity.

Terms and conditions

TERMS AND CONDITIONS

We hope you found our brochure inspirational and informative. We make every effort to display colours accurately, but cannot guarantee an absolute match on our website and in our printed material so you may find that products vary slightly in colour. Many of our products are made to order, meaning that some of our product sizes and measurements indicated in our promotional material may be subject to slight variation and we'd ask you to plan accordingly. All orders for furniture as well as bespoke worktops including the Integrated Coralux washbasin work surface cannot be cancelled or amended once they have been submitted to our manufacturing department.

SAMPLE SERVICE

You will find displays of our furniture styles, colour samples of finishes, worktops and tiles are available to view at over 550 Utopia specialist retailers across the UK. To find your nearest showroom visit our website. We also offer a free online sample service where you can order your preferred colours of finishes and worktops from our website to review in the comfort of your home.

GENERAL GUARANTEE TERMS

All Utopia products are designed and manufactured to comply with or exceed accepted industry standards and tolerances. In the unlikely event that a product fails to meet our high expectations it will be replaced free of charge. Any product deemed to fall within accepted standards and tolerances will be subject to a replacement fee.

GENERAL GUARANTEE:

1. Applies when:
 - 1.1 Products are installed correctly in accordance with our fitting instructions and are for domestic use in a room with suitable ventilation; we highly recommend the use of an extraction fan.
 - 1.2 Cisterns and taps are fitted in accordance with current local and national water regulations.
 - 1.3 Furniture is not used in a wet room environment or in frequent direct contact with water.
 - 1.4 Coralux Solid Surface products have been stored correctly in accordance with our packaging instructions; specifically these must be stored flat at normal room temperature prior to installation to avoid any distortion.
2. In the event of a product failure within the guarantee period (from the date of purchase) Utopia will supply a free of charge replacement for the failed item. If that part is no longer available, a nearest equivalent replacement will be supplied. Our guarantee is limited to the products supplied and does not cover any associated installation costs, consequential loss or damage claims.
3. The terms of this guarantee do not affect consumer statutory rights.
4. Any guarantee is limited to the original purchaser, is non-transferable and does not cover the purchase of ex-display items.
5. To obtain replacement parts in accordance with the terms of this guarantee, please contact the retailer who supplied the products.
6. Product guarantees may be invalidated through incorrect care and maintenance procedures. These are contained in the original product packaging and are also available from our Customer Services team.
7. All electrical installations must be carried out by a suitably qualified electrician. Your guarantee does not cover products incorrectly installed.

BATHROOM FURNITURE

Utopia furniture has been specifically designed and manufactured for performance in general bathroom use and carries a 5 year guarantee. All bathroom furniture will deteriorate through prolonged periods of exposure to high levels of condensation so bathrooms must be adequately ventilated using a suitable extraction fan to avoid this. Failure to ensure adequate ventilation may invalidate your guarantee. Bathroom furniture is not specified or designed for use in areas of regular or direct contact with water, particularly in wet room environments or where direct and/or regular water contact is prevalent. Any guarantee does not extend to this use. In respect of furniture containing electrical components, these items are unsuitable for zones 0, 1 & 2 installations. If you are in any doubt, please consult a qualified electrician. Please refer to individual product pages within the Utopia price list for IP rating information or bathroom zone suitability.

CARCASS MATERIAL

Many of our finishes are intended to replicate natural materials such as wood and stone where pattern and shade variation are distinct parts of the design.

CORALUX SOLID SURFACE PRODUCTS

Some of our Solid Surface worktop range is designed to replicate natural stone material and is subject to colour, tone and pattern variation. Coralux Solid Surface products are fabricated and finished by hand to individual order requirements and carry a 5 year guarantee. We strongly recommend you agree the measurements of any Solid Surface items against our order confirmation, as it may not be possible to make further amendments to orders after this stage, at which point any order becomes chargeable in full. If amendments are possible, charges may apply based on the stage of manufacturing completion at that time.

MINERALCAST PRODUCTS

Mineralcast products carry a 5 year guarantee and are supplied with a 2% dimensional tolerance.

BATHS

Baths are supplied with a 30 year guarantee against manufacturing defects. All baths are supplied undrilled. All baths are manufactured and supplied using high quality 5mm cell cast acrylic, are fully reinforced with Resinite technology and are delivered with a protective film to prevent scratching.

SHOWER SCREENS

All shower screens are supplied with a 5 year guarantee against manufacturing defects. All shower screens are supplied with 8mm toughened glass (except Symmetry with 6mm) and Clearshield technology, a permanent water repellent coating that reduces the growth of bacteria and mould. These products can be susceptible to damage during installation and any product faults must be reported prior to installation.

SANITARYWARE

Utopia sanitaryware carries a lifetime guarantee against manufacturing defects with the exception of the Quinn sit-on basins which carry a five year guarantee (dedicated Quinn waste covers 2 years) and is supplied with a 2% dimensional tolerance. Installation must be in accordance with the instructions provided and failure to comply with these may invalidate the guarantee.

In respect of wall-hung products, recommended fixing brackets and frames must be used. These are not included with our wall-hung pans.

TOILET SEATS

A 2 year guarantee applies to all toilet seats and related components. It is the responsibility of the consumer to ensure that suitable cleaning products are used. Do not use abrasive cleaning products or cleaning products that contain chlorine or acids, as these may cause yellowing or peeling of the material. After cleaning, wipe the seat with a well wrung out cloth. Leave the seat and lid up whenever strong cleaning products are left in the bowl of the toilet pan to prevent damage from vapours.

CONCEALED CISTERNS & CISTERN FITTINGS

Concealed cisterns & cistern fittings carry a 5 year guarantee against manufacturing defects. It is the responsibility of the individual installer to ensure that these products are fitted correctly and in line with the instructions provided.

BRASSWARE

Brassware products are either suitable for high or low pressure, some are suitable for both so please refer to the product description for further information. Brassware carries a 10 year guarantee on brassware and a 5 year guarantee on cartridges against manufacturer defects. Black and Brass finish brassware carries a 2 year guarantee. All basin and bath wastes carry a 5 year guarantee for chrome finishes and a 2 year guarantee for Ceramic, Matt Black and Brushed Brass finishes

TILES

We carefully select our range of tiles to co-ordinate with our furniture, however the production method of tiles mean that shading and colour may vary across different production batches. Order fulfillment will be from a single production batch wherever possible. We recommend taking all the tiles out of the box before installation and installing them according to slight shade differences rather than installing them directly from the box one by one. We recommend that you keep a note of your batch number in case additional tiles are required. Time difference from the original order will reduce the likelihood of the same batch being available.

Our tile collection contains both wall and floor tiles. Floor tiles can be used on the walls but wall tiles are unsuitable for use on floors.

In line with our restocking policy, a minimum of two full, unopened boxes can be returned within 28 days of purchase, subject to the tiles and packaging being in a resalable condition from the same batch and same original order.

COMMERCIAL APPLICATIONS

A 12 month guarantee applies to all products fitted in a commercial environment.

CARE AND MAINTENANCE

We always aim to provide the best quality products but there are occasions when this isn't possible. We have found that most issues stem from poor ventilation in bathrooms. We recommend that you ensure your bathroom is well ventilated using a suitable air extraction fan before our products are fitted. We regret that we cannot guarantee our products if they have been fitted in a poorly ventilated bathroom. Our specialist retail showrooms can provide advice and help you make the right ventilation choices.

With proper care and maintenance your bathroom products will last for years to come. The best and safest cleaning method is to use only warm water or pH neutral cleaner with a soft clean cloth. Never use an abrasive cloth. Never use chlorine, caustic, acid or alkaline based cleaners.

OUR ENVIRONMENTAL COMMITMENT

Sustainability is high on our agenda and we strive to make the least environmental impact. From the wood we use, the energy we consume, to our transport logistics, we take care to ensure we operate as responsibly as possible.

The information contained in this brochure is correct at the time of print as of June 2026. However, we reserve the right to alter materials and specifications in line with our continuing programme of product and service development.

HOW TO ACTIVATE YOUR UTOPIA GUARANTEE

Once your bathroom has been installed remember to activate your guarantee on our website. You will need to include the name of the Utopia retailer you purchased from.
